

First Decade

State The Mystery of the Day and Pray:

Dear Lord, Dear Mother Mary, we pray the first five Hail Marys for the intentions of the Immaculate Heart of Mary, and we pray the second five Hail Marys for peace in our world. Most Sacred Heart of Jesus, Have Mercy on us! Mary, Queen of Peace, pray for us!

Second Decade

State The Mystery of the Day and Pray:

Jesus, Source of Mercy; Mary, Bearer of Mercy, we pray the first five Hail Marys in reparation for the blood spilled from every baby wrenched from its mother's womb through abortion. We know that even as You hold and comfort each of these precious little ones, the horror of their slaughter screams for justice to be meted out upon our world. May these Hail Marys be a source of reparation for sin. We offer the second five Hail Marys for the mothers and fathers of these aborted little ones, that they may receive the grace to repent of this sin, turn to Jesus, and receive the gift of salvation with open hearts. Heal them of their emotional and psychological wounds that this sin has caused them as You pour out the graces of conversion upon them. Let them now witness for Life!

Third Decade

State The Mystery of the Day and Pray:

Lord Jesus, Mother Mary, in this decade we pray the first five Hail Marys in reparation for the sins of the entire medical profession: all doctors, nurses, assistants and providers of every type who contribute to abortion, euthanasia, or any procedure that causes death. On the second five Hail Marys we plead for their conversion. Let them see the truth of what they are doing, see the horror of it, rend their hearts in repentance, then work for Life and for You, Lord Jesus, all the rest of their days!

Fourth Decade

State The Mystery of the Day and Pray:

Lord Jesus, Source of All Truth, Mary, Our Lady of all Peoples, with the first five Hail Marys, we pray that every anti-life law in our nation be reversed. With the second five Hail Marys, we plead for the strengthening of every pro-life law in existence; and we petition that new and even stronger pro-life laws be enacted and enforced in our nation and in our world!

Fifth Decade

State The Mystery of the Day and Pray:

Lord Jesus, True God and True Man, we thank you for Your Incarnation. You were formed in the womb of the Blessed Virgin Mary. Your humanity at the moment of Your conception reveals the incomparable value of each and every one of us at the moment of our conceptions. Had Satan had his way, You too would have been torn from Your mother's womb, never to be born and never to die on the Cross for our sins and never to redeem us. The color green is symbolic of hope. We pray the first five Hail Marys and thank You for those who in any way work for Life. Give them continued courage, strength, peace of heart, and love. Protect them from all evil and increase their witness in this nation and throughout the world. Strengthen their families to understand the importance of their work and to support them in their stand for Life.

Mother Mary, Our Mother under your titles of Our Lady of Guadalupe, Mother of Perpetual Help, and Queen of Peace, join us in our intercession for an end to the Culture of Death that pervades America.. Crush the head of evil in our nation, our world, and in our personal lives. Roll back this crimson holocaust. With the second five Hail Marys of this decade, advance the cause of your Divine Son, Jesus, the Incarnate Word! Stay the hands of chastisements, but if they must fall, we beg you to protect your chil-
