On the evenings of **February 16 & 17**, **Father Paul CB Schenck** is available to speak on: *What Now? Trump and the PRO-LIFE Conscience*. Father Schenck and his identical twin brother Rob, effectively shut down the abortion industry in Buffalo, New York with unprecedented **PRO-LIFE ACTIVIST** efforts. So effective were these efforts that they were sued by the abortionists in Buffalo. Father Schenck went to Federal Prison as a result. His case went all the way to the Supreme Court and is one of the landmark cases in the history of our movement. Later Father Schenck founded **The National Center on Capitol Hill** which continues to do great educational work in the Judicial, Legislative, and Executive areas of our Federal Government. Presently, he is the **Respect Life Director** for the **Diocese of Harrisburg**. He is also responsible for Deaconate formation in this huge diocese. He and his wife Rebecca are the proud parents of 9 children, one in Heaven. Father Paul and his entire family are Converts to Catholicism.

On the evenings of **March 16 & 17**, **Ed Daccarett**, one of the most unsung heroes of the PRO-LIFE movement, is available to speak on *Doing Ingenious Things to End Abortion in Florida*. Ed is from Palm City, Florida but grew up on Kingston, Jamaica. He was born there in 1946 and became an **ACTIVIST** while a student at his college.

At a Walk for Life in Miami in the mid 1980's, he saw **Bernard Nathanson's** classic film, *The Silent Scream*, which showed an actual suction abortion of a 10 week old baby via ultra-sound. That is when Ed became a PRO-LIFE **ACTIVIST**. He was buying dozens of inexpensive FOR SALE signs at a local Ace Hardware and writing **ABORTION IS MURDER** on the back. On Friday nights, he would attach them to utility poles with the help of a step ladder.
