**** After K of C Breakfasts***

Barry Sullivan was a founding member of Jesus the Good Shepherd and is a retired Naval Lieutenant, Nuclear Engineer, Project Manager for the Department of Energy, father of 2 adopted adult children, and was a candidate for Congress in 1990. For over 25 years he has spoken to youth and adult groups throughout the country. Barry's talk is based on his Six Principles for a Wonderful Life. It will cover his many involvements, including charitable causes, pro-life activities, politics, and everyday situations with their various moral challenges. He will talk about the miracles that led to the adoption of his two children and how each of us can be that "miracle" that others are looking for to lead them closer to God. So come for a wonderful K of C breakfast and bring the family for this inspirational, interactive presentation which could change your life!
