The Genocide Awareness Project (GAP)

Comes to Johns Hopkins University
Tuesday October 23rd from 10:30 am until 2:30 pm
GAP is a large photo mural exhibit that compares the contemporary genocide of abortion with historically recognized forms of genocide. It reveals what abortion does to the unborn child... causing students to examine their perspectives on abortion.

Join CBR Maryland as we bring the truth of abortion to over 50,000 students at JHU. Join us as we engage with students using graphic images, dialog and literature. We must not shy back from confronting the culture of death with the Truth of Life.

Location: 3400 North Charles Street
Baltimore, MD 21218
(corner of East 33rd Street and North Charles Street)

For further information, please contact at CBRMaryland@CBRinfo.org or call 410-913-3931. RSVPs are greatly appreciated.

If You Believe... that every abortion kills an innocent human being, a baby... and abortion is a grave injustice... join us! My wife, Samantha and I are Pro-Life Missionaries and we have committed our lives and fortune to this cause... to end child killing. Yet we cannot do it alone... we need your support. We need you to become part of the CBR Maryland financial support team. We can commit our lives to this cause, yet without financial sponsorship... we cannot sustain ourselves and subsequently the effort to save lives and end abortion.

Monthly support is always the best... or you can send a one-time donation to: http://AbortionNO.org/donate.html
