

Have you seen these fatherhood.gov posters at bus shelters, visited their website or signed President Obama's fatherhood pledge?

Dad is the  
highest rank  
of all.

Take time to  
be a dad today.

fatherhood.gov

Text "Dad" to 30364. Message and data rates may apply.

See **Folks4MD.com**  
for more on marriage.

**Children Need Dads and Moms!**

Same-sex marriage will radically change society and negatively impact children by excluding either a Dad or a Mom from a child's life.

***Don't let our government destroy what marriage means!***

**Vote for the Children.**

**Vote AGAINST Question 6.**

**VOTE** November 6:  
**NO** Question 6!

# Have a Heart for Children!

A diverse team of family scholars recently reported on the multiple benefits for children who live with their own biological married mother and father. In this family structure children,

- ✓ live longer, healthier lives both physically and mentally.
- ✓ do better in school.
- ✓ are more likely to graduate and attend college.
- ✓ are less likely to live in poverty.
- ✓ are less likely to be in trouble with the law.
- ✓ are less likely to drink or do drugs.
- ✓ are less likely to be violent or sexually active.
- ✓ are less likely to be victims of sexual or physical violence.
- ✓ are more likely to have a successful marriage when they are older.
