Just a few of Mother's Favorite Quotes

Everything starts with one person ...
I don't care if you're 5 or 105,
God from all Eternity chose you
to be where you are, at this time
in history, to change the world.

Simply believing in the existence of God is not exactly
what I would call a commitment.
After all, even the devil believes that God exists.
Believing has to change the way we live.

God keeps the entire universe in order, and still finds time
to take a personal interest in you and me.

Unless you are willing
to do the ridiculous,
God will not do the miraculous.
When you have God, you don't have to
know everything about it; you just do it.

We are all called to be
great saints, don't miss
the opportunity.

Faith is one foot on the
ground, one foot in the
air, and a queasy feeling
in the stomach.

Holiness is not for wimps
and the cross is not
negotiable, sweetheart,
it's a requirement.

God wants you to be in the world, but
so different from the world
that you will change it.
Get cracking!
