

The mission field down the street....

Every week in the MD/DC/VA area, more than 100 babies are scheduled to be killed by abortion. Very few Christians go to the abortion centers to pray for these babies and try to save them. Our preborn brothers and sisters need **you** to defend their lives!

Sidewalk counselors peacefully share the love and truth of Christ with pregnant women and their companions as they enter abortion centers. They offer brochures that explain the reality and dangers of abortion and the practical help available from pro-life agencies.

Prayer supporters quietly pray according to their own faith traditions and offer spiritual support to the sidewalk counselors. They may hold signs offering free help or showing fetal development if they wish.

Training, material and ongoing support are provided by Capital Area Pro-Life Coalition. We will work with your schedule; just tell us when you're available, be that once a week, twice a month, or any other time frame.

These activities save lives! Since 2001, Washington area counselors have saved over 350 babies from abortion. Children are being saved every week by men, women and youth involved in this type of Christian work around the world.

You will grow spiritually as you obediently answer God's call to love (in word and action) all those who are entering and being taken into the death centers. This work has long-term, even eternal, consequences for yourself and those with whom you come in contact.

Love has no room for fear; rather, perfect love casts out all fear.

1 John 4:18

And the king will say to them in reply "whatever you did for the least brothers of Mine, you did for Me..what you did not do for one of these least ones, you did not do for Me." And these will go off to eternal punishment, but the righteous to eternal life.

Matthew 25:40, 45-46

Children, let us not love in word or speech, but in deed and truth.

1 John 3:18

The only thing necessary for evil to triumph is for good men to do nothing.

Edmund Burke

Is anyone there?
Does anyone care?

Rescue those who are being dragged to death, and from those tottering to execution withdraw not. If you say, "I know not this man!" does not He who tests hearts perceive it? He who guards your life knows it, and He will repay each one according to his deeds.

Do You Take Abortion Seriously?

This happy girl, aged 3, busily "mowing the sidewalk", was saved from abortion by a sidewalk counselor outside the (now-closed) Hillcrest Women's Surgicenter in NW DC. Her grateful mother thanks God for saving her life!
